1 Introduction

This kit provides the tools, materials and parts necessary for performing maintenance on the F007PF floating pool and spa thermometer.

Maintenance is suggested once per year, or after every battery change.

2 Wrench

Loosen the lid by removing the key (Figure 1), and turning the lid counter-clockwise with the wrench. Tightly grip the base of the unit with the other hand.

Figure 1

3 Lock Key

If your lock key is damaged, replace (reference Figure 1).

4 Gasket

Remove and reinstall the gasket as shown in Figure 2. Use a small amount of silicone grease or other lubricant to protect the gasket.

Figure 2

5 Silicone Lubricant

Apply a small amount of silicone grease to the gasket and floating pool and spa thermometer threads. The silicone grease is non-toxic and FDA approved. Use gloves, or thoroughly wash hands after application.

6 Desiccant Pack

When the desiccant pack turns pink, replace. We recommend once per year. Place the desiccant pack inside cavity the base of the floating pool and spa thermometer.

7 Warranty Information

Ambient, LLC provides a 1-year limited warranty on this product against manufacturing defects in materials and workmanship (with the exception of the desiccant pack and silicone grease, which are consumable products).

This limited warranty begins on the original date of purchase, is valid only on products purchased and only to the original purchaser of this product. To receive warranty service, the purchaser must contact Ambient, LLC for problem determination and service procedures.

Warranty service can only be performed by a Ambient, LLC. The original dated bill of sale must be presented upon request as proof of purchase to Ambient, LLC.

Your Ambient, LLC warranty covers all defects in material and workmanship with the following specified exceptions: (1) damage caused by accident, unreasonable use or neglect (lack of reasonable and necessary maintenance); (2) damage resulting from failure to follow instructions contained in your owner's manual; (3) damage resulting from the performance of repairs or alterations by someone other than an authorized Ambient, LLC authorized service center; (4) units used for other than home use (5) applications and uses that this product was not intended (6) the products inability to receive a signal due to any source of interference or metal obstructions and (7) extreme acts of nature, such as lightning strikes or floods.

This warranty covers only actual defects within the product itself, and does not cover the cost of installation or removal from a fixed installation, normal set-up or adjustments, claims based on misrepresentation by the seller or performance variations resulting from installation-related circumstances.
