Thank You!

Dear Friend,

I want to personally thank you, on behalf of the entire American Cancer Society, for your recent gift of \$1,000.00 through our special event. It means so much to all of us committed to this cause to have your support, and I want you to know your money is hard at work. Your gift makes it possible for us to help you, your loved ones, and everyone touched by cancer—through research, education, advocacy, and patient services.

I also want to say congratulations. Your support, year-to-date, makes you a member of *The Society*, an exceptional group of caring people who last year gave approximately \$70 million in annual contributions to fight cancer. This year, members of *The Society*—like you—are helping us make even more progress in Florida and all across the country. How far does your generosity go? Here are some examples:

- \$500 trains 5 to 6 I Can Cope® volunteers to teach patients and their families to manage symptoms, emotions, and finances.
- \$1,000 helps us offer free lodging at our Hope Lodges® to patients needing shelter near their cancer treatment centers.
- \$2,500 provides approximately 25 breast cancer patients with support from trained survivors through Reach to Recovery®.

Learn more about *The Society* and how to move up through our seven donor levels by reading your **enclosed information slip** or calling **1.800.ACS.2345**. It is because of people like you that we can give nearly nine million American cancer survivors the hope they need to cope with their disease. With your ongoing support, we will be there for them when they need us most.

Thank you again for your continued generosity and for being a valued member of *The Society*.

Sincerely,

Donald A. Webster
Chief Executive Officer

P.S. Being a member of *The Society* has its benefits. Learn more by reading your enclosed slip!
