***We do LIVE!!! ♦ 866 - 577 - LIVE***

Dear ,

I was asked to send you this proposal for sponsorship for The Freedom to Rock Tour which will be appearing at 100 military bases here in the US over 5 months.

This concert is being offered free to military and civilian personnel and their families as our way of saying thanks for their sacrifice in spreading freedom around the world.

I have donated my time and my company's name and the bands have all decided to work for free. Numerous other folks have donated use of the tour vehicles and equipment.

Now all we need is you!

This tour represents a tremendous opportunity for you to have your name connected with such a worthy effort, and I would like you to take a few minutes to consider the following information.

I have attempted to make the proposal as plain and simple as possible.

Thank you for considering helping us make this tour an event to remember for all those who have done honor to our country by serving in the military.

Best regards,

Joe Wright  
VP/GM
