**Subject:** Question

Good afternoon and Happy Holidays to you!

Our ladies auxiliary will be hosting a fundraiser (15 January 05) to benefit our deployed troops and their families locally as well as nationally and we need your help.

They will be sending out care packages not only to the deployed and their family members but also to our wounded soldiers returning from combat at the V.A. Hospitals.

We would appreciate your help with any items you may have that they can use to auction or use for their other fundraising projects.

Maybe you have some items that may be slow selling or stored in your warehouse just collecting dust that these ladies could use?

Your generosity will not go un noticed as you will be recognized with a wall plaque and also recognition in our national veterans magazine.

Your consideration to our request will be much appreciated!

For God and Country,

Anthony Macarelli  
Director, U.S. Veterans Network

U.S. Veterans Network
